

AMENDED IN ASSEMBLY MARCH 19, 2013

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 1140

Introduced by Assembly Member Daly

February 22, 2013

An act to amend Section 1773.6 of the Labor Code, relating to public works.

LEGISLATIVE COUNSEL'S DIGEST

AB 1140, as amended, Daly. Public works: prevailing wages.

Existing law requires that, except as specified, not less than the general prevailing rate of per diem wages, determined by the Director of Industrial Relations, be paid to workers employed on public works projects. Existing law requires the body awarding a contract for a public work to obtain from the Director of Industrial Relations the general prevailing rate of per diem wages for work of a similar character in the locality in which the public work is to be performed, and the general prevailing rate of per diem wages for holiday and overtime work, for each craft, classification, or type of worker needed to execute the contract. Under existing law, if the director determines during any quarterly period that there has been a change in any prevailing rate of per diem wages in a locality, he or she is required to make that change available to the awarding body and his or her determination is final. Under existing law, that determination does not apply to public works contracts for which the notice to bidders has been published.

This bill would instead state that if the director determines, within a semiannual period, that there is a change in any prevailing rate of per diem wages in a locality, that determination applies to any public works contract, ~~whether or not notice to bidders has been published or a~~

~~contract has been awarded~~ *contract that is awarded or for which notice to bidders is published on or after January 1, 2014.* This bill would authorize any contractor, awarding body, or specified ~~representatives~~ *representative* affected by a change in rates on a particular contract to, within 20 days, file with the director a verified petition to review the determination of that rate, as specified. The bill would ~~require,~~ *require* the director to, upon notice to the interested parties, initiate an investigation or hold a hearing, and, within 20 days after the filing of that petition, except as specified, make a final determination and transmit the determination in writing to the awarding body and to the interested parties.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
